

Dear Citizens of Campbell,

My name is Gary Bednarik and I am seeking your support for a seat on the Board of Education of Campbell City Schools.

I am a life-long resident of Campbell and a 1984 graduate of Campbell Memorial High School. I have been married to my lovely wife Nadine (Amicarelli) for 21 years and we have 2 boys, Vincent and Nico, currently a senior and junior at CMHS. I have been a public servant employee for the city of Campbell for 30 years working as a police officer and park/street department foreman. I have also had the pleasure of working directly with the students, faculty and administration of Campbell City Schools during my tenure as a truant/resource officer. Over the years I have been actively involved with the youth of Campbell through various coaching positions and community activities.

During my time at the schools, I was able to experience and witness many academic and social issues that face our young people today. As a member of the Board of Education, I will do my best to make our children a priority and help provide them with the best possible educational and social environment in our city schools.

I would greatly appreciate your vote on Election Day. It would be an honor and privilege to serve the community and children of Campbell as an elected School Board Member. Thank you in advance for your consideration.

*Sincerely,
Gary Bednarik*
