

Dear Campbell Voters,

My name is Diana Petruska and I am a candidate for The Campbell Board of Education. I am originally from Austintown, Ohio and have resided in Campbell for the last 26 years. I am the daughter of Marietta (Cox) Pearl and the late Alfred "Babe" Diorio.

I am married to lifelong Campbell resident Gary Petruska for the past 32 years. We live at 153 Tremble Ave. and are the proud parents of one son, Ryan. Ryan and his wife are expecting our first grandchild in November.

I attend Christ the Good Shepard Parish. I am a member of the Campbell Ecumenical Council of Churches, the Campbell Gridiron Club and I am a Campbell Hall of Fame Committee member.

I have served The Campbell Board of Education for 8 Years. I serve on the Finance Committee and work closely with the Treasurer and Superintendent to provide our school system with fiscally responsible policies and the commitment to our student for the best education the district can afford.

I am a graduate of Youngstown State University and have been employed at Youngstown Barrel and Drum Company as an Accountant for the past 18 years.

My only commitment is to the students of the Campbell School District. My objectives are to provide every Campbell student with a safe, moral and nurturing environment for their growth now and as they enter adulthood. The Campbell City Schools have progressive leadership with a new superintendent and the dedication of administration, teachers, aides and support staff for our students to receive a quality education.

I have the conviction and experience necessary to continue the positive results our students are benefiting from. I will make decisions that will result in the best quality education for the students and their future welfare.

I would be honored to serve the citizens of Campbell as a member of the Campbell Board of Education for the next four years. If you have any questions or concerns, please contact me at 330.755.1341.

Thank You and God Bless

Diana Petruska
