

Dear Residents of the 4th Ward:

My name is Juanita Rich, and I want to again serve you as your 4th Ward Councilperson. I had the privilege of serving you for nine years as your 4th Ward Councilperson, and for one year as your Council President.

If elected to Council, my goals for our City include focusing on economic development by enticing new businesses to locate in Campbell. Another objective I will seek to accomplish is beautifying and improving Roosevelt Park by purchasing new playground equipment and overhauling all park pavilions. I will also focus on creating a community center in Campbell that will benefit both our young people and our senior citizens.

One of my top priorities will be bringing back the Mini-Bus to help our senior citizens. The Mini-Bus was not that expensive for the City to operate, and it was a great service for our senior citizens that must be returned. I promise that I will do everything in my power to return this excellent benefit for our senior citizens.

In the 4th Ward, I will work to create a beautiful and attractive landscape at the corner of Coitsville Road and Woodland Avenue that will be maintained by the City. This corner should no longer be the eyesore that it currently is. When I was on Council, I had dozens of dilapidated houses torn down in the 4th Ward, and I will continue this effort to eradicate these blemishes. Cleaning up the 4th Ward and making it more appealing will encourage young working families to relocate here. The Administration, Council, and the Board of Education need to work together on a plan to attract young working families to move into Campbell in order to increase our tax base.

My community involvement includes serving as President and Vice President of the Campbell Girls Softball League, where I was a coach and manager for over 25 years. I am a member of Bible Baptist Temple in Campbell, where I taught Sunday School for 20 years. I am currently employed as a certified surgical technologist at Southwoods Surgical Hospital, and was recently elected as a member of the Board of Surgical Technologists for the State of Ohio. For 24 years, I worked as an agent for Abeid Insurance Agency in Campbell.

I have been married to my husband Ronald Rich for over 39 years, and we live at 680 12th Street in Campbell. Ronald is the son of William Rich and the late Theresa Butchko Rich. We have two beautiful daughters: Jessica (Daniel) Szenborn and Jennifer Rich, and three wonderful grandchildren: Jalen, Janessa, and Samantha.

If you share my vision and goals, I would appreciate your support on Election Day, which is Tuesday, November 5, 2013. If you have any questions, please feel free to contact me at either (330) 743-3262 or at nita053@aol.com. May God bless you and our magnificent City.

Sincerely,
