

Bryan K. Tedesco Second Ward Councilman
765 Whipple Avenue, Campbell, Ohio 44405

Dear Second Ward Voters:

My name is Bryan Tedesco and I am seeking re-election to the Office of the Second Ward Councilman. I am a longtime Campbell resident, having lived at 765 Whipple for 26 years. **I understand our City and even more importantly, I understand our neighborhood.**

My campaign will highlight our accomplishments and the projects I have worked on with my colleagues at City Hall. **I am proud to emphasize that many of the projects were completed using private donations and grants. City Council has worked hand in hand to aggressively raise money for projects, as opposed to using tax-payers dollars.**

I hope you will consider the points below and recognize experience does matter as we move forward.

Personal Attributes:

- ✓ Married to the former Monica Crano for 38 years. We have two sons, Brandon (Margherita) and Josh and two grandsons, Joey and Vito
- ✓ Employed by Ohio Edison for 38 years, serving as Union Representative for AFL-CIO UWUA Local #118
- ✓ Past-President of Campbell Little League, Coach and Past Vice-President of Campbell Youth Soccer
- ✓ Active member of the Knights of Columbus, East Suburban Optimist Club, the Sons of Italy, CMS Men's Club and St. Michael's Civic Club

Accomplishments:

- ✓ Placed great emphasis on enhancing Roosevelt Park by installing new bathrooms at the Boys Little League Field and Girls Softball Fields, constructed a new Gazebo with features senior citizen concerts and wedding ceremonies, purchased playground equipment, gym sets, handicap friendly play-sets, and paved the parking lots at the fields through grants and private donations
- ✓ Donated my time and installed colonial lights throughout the park to enhance lighting in the park
- ✓ New community center constructed at no cost to taxpayers through grants
- ✓ Corrected flooding problems on Struthers-Liberty Road, Almasy and Dumont Avenues

Future Plans:

- ✓ Build an all purpose center providing our Senior Citizens and young children a safe and secure environment to gather for activities
- ✓ Continue to identify vacant properties and partner with the Mahoning County Landbank to demolish neighborhood eyesores
- ✓ Work with our Police Department to make our neighborhood and city safe.

Thank you for your consideration,

Bryan K. Tedesco
