

Neighbors & Friends

My name is Tina Tsagaris and I would like to serve you as your representative on the Campbell Board of Education. I have lived and worked in this community my entire life and now seek to give back and serve.

I was raised on Tremble Ave. by my parents Sandra Tokarski and Emmanuel Allinos class of 1963. I reside at 311 Crimson Circle, where I happily raised our daughter Nomiki class of 2016 with my late husband Michael class of 1980. I have been employed by Chase Bank for the past 31 years.

Growing up here in Campbell, I attended Gordon School, Reed School and graduated from Memorial High School in 1984. I have the highest respect and admiration for the entire Campbell School System for the years my family has attended.

My goals as a School Board member is to foster an atmosphere of cooperation, communication and, most importantly, trust between the Board and the Superintendent, continuing to increase communication between the board and its employees, while representing the fine Campbell community residents.

I believe that these goals will be attained by honest, open communication and by always putting the students, our children, first. I feel that I am uniquely qualified to fill this position as a Board member because of my many viewpoints I have access to through my neighbors and friends, and my life experiences. All of these different views plus yours will be invaluable in my decision-making process.

Many of you that know me know I am open, honest and approachable. We have a common personal interest in the schools: our children attend these schools. If elected to the Board on November 7 I will continue this manner.

Our ultimate goal as we consider candidates for the position of Board Member is to be sure that our children get the best education the City of Campbell can afford to give them. It is my goal for our school to offer College in High School credits and be a technology leader in the county.

Thank you for your confidence and your vote.

Sincerely,

Tina Tsagaris
