

Citizens of the 4th Ward,

I'm Bill Valentino, candidate for the City of Campbell's 4th Ward Councilman. I'm a 1975 graduate of "The Original" Campbell Memorial High School. I retired in 2019 after 47 years working with and helping the public as a self employed Residential Remodeler & Builder. My wife Sharon, of 47 beautiful years, has blessed me with 3 daughters, Stephanie, Angela & Amanda, all who are also graduates of Campbell Memorial. We have 5 wonderful grandchildren, two of them attend Campbells STEM school and are also Red Devil athletes. Presently, I am the sitting President of The Board of Education where I have served for 10 years and also President of Campbell's Gridiron Club where I have been a dedicated member for 15 years helping to lighten the duties of the school for our Red Devil Football program. While raising my daughters, I coached all of them through Campbells Youth Softball League where I served for 18 years as a team sponsor and League President.

Throughout my years as a Campbell resident I always did my best to do as much as I could to brighten our city. I began my civil duties back when Mayor Bill Vansuch appointed me to oversee the zoning department in Campbell and I continued to donate my service to the city in that position for another 11 years. Since 2012, I have worked with numerous mayors, council members and have always applauded any person who has given service to our city. I always have and will continue to work with other elected officials showing respect and dignity so that together we can keep our city moving forward in the positive direction that it's in.

Finally, by electing me as your 4th Ward Councilman, I will be hard working for not only the citizens of the 4th Ward but for all the citizens of Campbell. I will always keep my word while being a voice our citizens can stand behind and also a leader they can trust to do the right thing. Thank You!

Candidate 4th Ward City of Campbell,

Bill Valentino

A handwritten signature in black ink that reads "Bill Valentino". The signature is written in a cursive, flowing style with a large initial "B" and "V".
